# Alfred Basbous: Modernist Pioneer

- **Website:** [www.alfredbasbous.com](http://www.alfredbasbous.com)

A mini-retrospective of the work of the Lebanese sculptor.

Lebanese sculptor Alfred Basbous is the subject of a mini-retrospective. Focused on the aesthetic principles of shape, movement, line and material, his sculptures display a deeply ingrained sincerity and a search for the essence of beauty. Working in the tradition of sculptors such as Auguste Rodin, Jean Arp and Henry Moore, Alfred Basbous explored the potential of noble materials such as bronze, wood and marble to express the sensuality and purity of the human form. This aversion towards frivolous and meaningless embellishments echoed his own philosophy of simplicity.
