

# Alfred Basbous | Sensible Expression

## **EVENT DETAILS**

Mark Hachem Gallery is delighted to present an exhibition of relief and sculpture by artist Alfred Basbous (1924 - 2006). A major pioneer of Modernist sculpture in the Middle East, Basbous drew on the influence of Jean Arp, Constantin Brâncuși and Henry Moore to create stone and bronze sculptures of often monumental proportions. The exhibition brings together a series of sculptures from the 1960's to the 2000's, which demonstrate Basbous' exploration of the relationship between form and material. A selection of Basbous' preparatory drawings which reveal his approach to relief and sculpture are also exhibited.
